Page No. 1

On Sunday, May 11, 1980, at 2:15 pm. I answered the phone a Black male asked, "Is Mr. Weed there?" I said, "No". He said "oh, is he still in Columbia?" I said "No, but he'll be home soon." I asked "Who is this?" He said, "I used to work for your father, and I wanted to know if I could get a job." I said, "Well, you can call him at the office tomorrow." He said, "Does Buster + Joe still work there?" I said, "yeah." He said, "Is your Dad still in the hospital?" I said, "No, he's been out a long time. And he's doing fine." He said, "Doesn't your Dad own Carolina moving & Stg.?" I said, "yeah." He said, "Well, what do you do?" I said, "Nothing." He said, "Yeah, you never did do much." He said, "Hang on a minute, there's a bunch of noise go on - a bunch of kids talking." "Were you the one that was raped?" I said, "yeah". He said, "Well, did you like it?" I said, "What in the hell do you mean?" He said, "Did you enjoy it?" Then I hung up the phone!
